

SupermarketManager
::inputClientID

```
graph LR; A[SupermarketManager::inputClientID] --> B[readNumber]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'SupermarketManager' on the top line and '::inputClientID' on the bottom line. The right box is white and contains the text 'readNumber'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
